

To whom it may concern,

I am writing on behalf of K-love Radio. K-love Radio has been my only radio station here that i can listen to safely with my 3 children, i first listened to it about 1 1/2 years ago, and it has helped me through the tough times i have had since then. It has encouraged me, they have prayed for me and my family, they are a part of my family, i support them financially, and i especially love it that i can tune it K-love radio when i travel out of town.

If K-love was taken away and not on the radio any more due to LPFM taking over, many lives would go hurting, discouraged, and they would not get the help they need, or know where to go. K-love is a big part of my life and many hundreds of thousands of other people out there.

K-love has helped many people in this community stay close to the Lord and encouraged them to keep going when they thought they couldn't. I don't know what i, or anyone else would do with out that extra support from K-love through prayer and the music. It is such a big part of many peoples lives.

Please do not take away a big part of my life, and hudreds of thousands of others.
